ILLINI SONG BOOK

FOREWORD

The Illini spirit is exuberantly filled with the songs of our campus and when we hear that victorious cry of "Oskee-wow-wow" or the stirring chords of "Hail to the Orange" we are thrilled with "Loyalty." Illinois sings these with deepest sentiment and when the "Broadwalk" is but a memory the old Illini Spirit is still prevalent. At the evening supper, beside the hospitable fire-place or on the sorority lawn these songs are immortal. To fill the need for the words and music of our favorites, the Illinois Union publishes this book.
