Sue Keen & Mike Voegtle
were speakers at the Ed. Psy.
199 class.

March 9, 1976

Dear Sue and Mike,

Thank you so much for coming to our class and sharing yourselves with us! I thought it was so much more beneficial to hear about you, your opinions, and your experiences, rather than restricting ourselves to generalities about gay people.

I'm going to pass this around so others can add comments.

Looking forward to seeing you both again!

Marilyn
